Mail Carrier Revives Drowning Child by Artificial Respiration

Baby of Edw. McNamara Falls in Water Trough at Farm Home

A mail carrier who knew first aid methods has been credited with reviving Patrick, 23-month-old son of Mr. and Mrs. Edward McNamara of State Line road after the child was found face down in a stock watering tank Tuesday.

In trying to fill a toy sprinkling can with water the child evidently lost its balance and fell in the trough. Two minutes later his father found him there and pulled him out.

A few bubbles were still coming up through the water so he concluded there was still life in the child.

Mr. McNamara called the Antioch Rescue squad and Capt. Herman Holbek instructed him to place the child on his stomach and press in on his back. Just as he was about to do that, the mail carrier, Harry S. Johnson of Kenosha, arrived in delivering mail and went to Mr. McNamara's aid. The child was unconscious and not breathing at first.

In just a few minutes the child began breathing and by that time the Rescue squad arrived and applied the inhalator. Yesterday the youngster was at play as usual.

"Patrick had been getting water from the house, but he evidently changed his mind and decided to get it from the trough," said one member of the family. "We don't know whether he dropped the sprinkling can in the trough and was trying to get it or lost his balance in trying to reach the water, she said. The tank is about 4 feet high.

The McNamaras are well known in Antioch.

Student Council News OF A. T. H. S.

Carnival Queen

The American Legion is sponsoring a carnival in the Antioch area sometime in the near future. The Legion representative asked that the Antioch Township High School submit four or five names of girls to be voted on by the public for their Carnival Queen. The matter was submitted to the Student Council who devised a plan whereby each class would select one girl from the class and the Council would select one from the Council so that five names may be submitted to the Legion. There will be scheduled meetings of the classes this week and a regular meeting of the Council so that this may be done.

The above plan does not restrict (Continued on page 7)

MOVE CLOCK UP SUNDAY

Daylight saving time will start Sunday, a reminder to move the hour hand forward an hour before retiring Saturday night is in order in Antioch and surrounding territory in Illinois. Wisconsin communities will remain on standard time.

Scott Re-Elected President of H. S. Board of Education

Organization Meeting for Coming Year Held Thursday

Fred Scott will again serve as president of the Antioch high school board of education since he was re-elected at the annual organization meeting of the board held last Thursday evening, April 16. Louis Biel was also re-elected secretary of the board.

The meeting saw a canvass of the vote cast in the recent election and Millburn Cain, Roman B. Vos and Walter Hills recipients of the highest number of votes were sworn in by President Scott.

The new members of the board will serve three year terms.

Village Clerk's Job to be Made Full Time When Office Completed

Part time soon, and later full time service will be given by Village Clerk-Clarence Shultis, whose salary was increased by the village board in an adjourned session Monday evening.

The salary will be \$1,500 instead of \$900.

Much of this additional service depends on the remodeling of the village hall and conversion of the truck storage room into an office room.

The trustees at Monday's meeting studied a revised plan of the architect, but cannot act on the improvement until after the new fiscal year's appropriations are made. After the new office is built Shultis will be there to collect water bills, issue licenses, and wait on the public in its transaction with the municipality.

The remodeling calls for a new front in the place of the present folding doors, new flooring, provision for storage of books, and a safe.

Lynn Davis, 15, Dies in Chicago After Brief Illness

Miss Lynn Davis, 15, died on April 21 at Mercy hospital, Chicago, following a month's illness. Lynn was born June 10, 1937 at Waukegan. She made her home in Gurnee for eight years, moving to Wilmot seven years ago. She was a member of Wilmot Methodist church, junior leader in Randall Rustlers 4-H club, a student at Union Free High School at Wilmot, and a member of the high school band.

Survivors are her parents, Mr. and Mrs. Richard Davis, one sister, Dana, two brothers, Joe and Bill, her paternal grandfather, Rolla Davis, all of Wilmot, and her maternal grandmother, Mrs. Verne Hall of Waukegan.

Friends may call at the Strang Funeral home after seven p. m. Thursday and at the Wilmot Methodist church from 1 p. m. Saturday April 25 until the services at 2 p. m. The Rev. E. D. Hulse will officiate at the service. Interment will be in Wilmot cemetery.

Elizabeth Flint, 65, Dies Suddenly at Her Cedar Lake Home

Mrs. Elizabeth Flint, 65, Lake Villa, died suddenly Monday at 11:50 a. m. at her Cedar Lake home. She was born Dec. 4, 1887 at Budapest, Hungary. She came to America in 1908 making her home in Chicago. For many years she spent her summers at Cedar Lake. She was a member of St. Peter and Paul Evangelical Lutheran church. Survivors are her husband, Roger, one daughter, Mrs. Ellen J. Bida of Chicago, a sister and three grandchildren.

Funeral services will be held in Chicago at 4553 North Milwaukee avenue. Interment will be in Bohemian National cemetery.

More Interference With Annexation Of Crown Subdivision Appears

Annexation of the Crown Realty Company subdivision on the north edge of the village again was postponed Monday evening when complications in plans for the subdivision arose.

Mayor James McMillen said the board was informed that the owner of lots along Zellerbach lane, leading from State Line road to Cross lake are objecting to it being made a public highway.

F. J. Benda, Chicago attorney, is representing his mother as owner of one of the properties in threatening court action, it was said, if the present arrangement is violated.

Under present property rights the lane may be used by all surrounding property owners. It is unimproved and is closed to the public and closes entirely at the end of the outlying section.

Max Horwitz of the Crown Company owns the land on which the lane travels and may use it, but the other property owners maintain that easements prevent him widening and opening the road for public travel.

Members of the village board are taking no part in the controversy and are awaiting settlement before proceeding with annexation.

Club Asks Change In Bail Regulation

The Chicago Motor Club today attacked the hardship caused motorists by so-called "horse and buggy" rules of procedure in handling traffic violations.

The Motor Club pointed out that under the ancient rules treating alike all persons accused of criminal offenses a motorist cannot deposit bail in the county in which he lives to guarantee his appearance for trial in another Illinois county.

A typical example of the inconvenience and hardship caused by the present law was cited by Motor Club president Chas. M. Hayes. "Suppose a warrant is issued by a court in Cairo for the arrest of a motorist living in Rockford, at the opposite end of the state. If the arrest is made in Rockford, the motorist will then be brought back to Cairo, some 200 miles away, to post security."

To relieve this hardship to motorists and to modernize the Illinois Vehicle code, the Motor club proposes two amendments, Hayes said. "Under these suggested amendments, a person arrested on a warrant for an alleged violation of a traffic regulation would be given the opportunity to post bail in the county where he was taken into custody. He would not be required to travel with the arresting officer, perhaps several hundred miles, back to the court which issued the warrant, merely to put up bail."

Hayes added that similar laws are in effect in a number of states.

Time To Spruce Up

Robert Terry Suffers Fractured Skull When Hit by 12-Pound Shot

Robert Terry, 14, Antioch High school freshman, suffered a fractured skull Monday afternoon when he was struck on the head with a 12-pound steel ball during shot-put exercises at Palatine.

Young Terry, a son of Mr. and Mrs. William Terry of Lake Marie, was participating in a track meet when he accidentally stepped in the line of a practice toss by Stanley Hausman of the Palatine team.

The injured youth was taken to Victory Memorial hospital in Waukegan by ambulance, and today was reported improved.

Terry has been trying out for a regular position on the Antioch team as a shot-putter and a discus thrower.

Telephone Rates Boosted Apr. 16

Most residence telephone users in Antioch will pay about a penny a day more for service as a result of the Illinois Commerce Commission's order increasing Illinois Bell's revenue, according to J. M. Littler, manager here. The order trimmed 25c from the amount asked by the company for monthly charges for residence service.

Three hundred and seventy-six four-party residence customers will pay 25c a month more than the present rate; 111 two-party residence customers will pay 35c a month more, and the 203 one-party customers 50c more. The price of one-party business service will go up \$2.00 a month and the two-party business rate will be increased \$1.50 a month.

The changes become effective April 16th, according to Littler. The new monthly increases here, he said, will be as follows:

Residence Service (new rate)	Increase
1-party \$3.65	50c
2-party 3.25	35c
4-party 2.90	25c
4-party cottage 3.90	25c
Extension .75	15c
Rural 2.90	35c
Business Service	Increase
1-party \$7.50	\$2.00
2-party 6.50	1.50
Rural 4.90	1.50
Semi-public coin service	
guarantee 23-1/3c per day	2.00
Extension 1.50	.15

Cancer Drive Reaches Two-thirds of Goal

The April Cancer Crusade of the Lake County Chapter of the American Cancer Society has reached the two-thirds mark in their annual campaign for funds it was announced today by Dr. M. J. McAndrew, chairman of the Lake County drive.

In reporting on the progress of the drive Dr. McAndrew said, "With the month just about half over, it is gratifying to know that we have collected about two-thirds of our goal of \$31,500 for the county. All of us working on the drive wish to express our appreciation to those who have already responded to our appeal for funds to help the year around work of the American Cancer society."

Antioch's chairman, Mrs. Elvin Keulman reports a total of \$409 collected. Friday evening, Apr. 24 and Saturday morning, Apr. 25 will be tag days for the cancer fund in Antioch.

E. Barnstable Wins Over Schneider in Lake Villa Election

Sheehan, Williamson, Wilson Chosen as Trustees; Reinebach Clerk

Ervin L. Barnstable, Sr., Citizens party candidate for president of the Lake Villa village board was winner of the post by an eight-vote margin last Tuesday, polling 147 votes to his opponent's 139. Walter W. Schneider was president during the last two years.

All candidates on the Citizens party were elected, with Paul Williamson, Russell Wilson, and Elmer Sheehan polled 147, 154, and 183 respectively for trustee against 94 for Fred G. Bartlett, 123 for Joseph F. Nader, Jr., and 95 for Joseph J. Grabowski, on the Peoples party.

Everet Galiger was re-elected police magistrate, topping the list with 232 votes, followed by Carl Reinebach with 231. Neither of these candidates was opposed.

The new officers will take office on May 1.

Frank E. Johnson, 88, Buried Wednesday

Frank E. Johnson, 88, Salem, Wis., died Sunday, April 19, at the home of his daughter, Mrs. Robert Imrie, following a brief illness.

Mr. Johnson was born Aug. 7, 1864 in Sweden coming to America at the age of 17. He made his home for many years in Elgin, after moving to Salem in 1890, where he worked as foreman for an ice company until 1900 when he started farming, at which he worked until his retirement several years ago. He was a member of the Salem Methodist church.

Survivors are his daughter, Mrs. Imrie, two sisters, Mrs. John Johnson and Mrs. A. Jonson, both of Elgin. His wife, Anna, preceded him in death Jan. 30, 1949.

Funeral services were held at 1:30 Wednesday at the Strang funeral home. The Rev. E. D. Hulse officiated at the service. Interment was in Salem Mound cemetery.

Dr. Carlucci to Open Dental Office May 1, In Place of Dr. Berke

Dr. Richard A. Carlucci will open his office for the practice of dentistry May 1 at 986 S. Main st., in Antioch and will have the telephone number 28-J.

Dr. Carlucci recently returned from a two-year tour of duty with the United States army dental corps. He served for one year with the famed 23rd regiment of the second division in Korea.

Before entering the army he was head of the dental department at the Joslyn Medical clinic in Maywood, Ill.

Dr. Carlucci is a graduate of Loyola university dental school of the class of 1947. He married Corrine Reilly of Lakewood, O., and they are the parents of three children, Maureen, Kathleen, and Richard II.

He will occupy the office of Dr. B. H. Berke who was called into service.

More Grass Fires

The Antioch Fire department was called out to extinguish three grass fires on Tuesday and three more on Wednesday.

Village Officers Elected in Light Vote on Tues.

John M. Blackman Is New Member of Board of Trustees

Candidates of the Peoples party, all but one of whom are present office holders were returned to their posts in Tuesday's village election.

Only 213 ballots were cast, testifying to the limited amount of interest the election provided through general lack of competition.

A lot of ballots were spoiled because the voters insisted on using the check mark in the squares instead of the cross mark. The check mark spoils the ballot.

There were a number of write-ins, but only in the case of E. Elmer Brook who received 58 votes for police magistrate were they effective, and he was returned to office.

Mrs. Sophia Hennings, first woman to seek the office of trustee in Antioch, was unsuccessful. The totals of the vote were as follows:

J. W. McMillen, president, 205; Edgar Simonsen, trustee, 194; Arthur M. Hawkins, trustee, 194; both re-elected; and John M. Blackman, new member of the board, 188. Mrs. Hennings received 29 votes.

Clarence B. Shultis, unopposed for clerk, received 199 votes and Mrs. Martha Hunter, unopposed for treasurer, 197.

The Machine and the Land

A century ago, 75 per cent of all the workers in this country were engaged in agriculture—in producing the food and allied products they and the small non-agricultural population consumed. Even as late as 1916 one person in three worked on the farm. Today, the figure is one in six.

In other words, we depend upon fewer farmers for all the varied agricultural products we must have. And the farmers' ability to meet the demand is primarily the result of the application of power to farm jobs.

Last year, according to the New Mexico State Extension Service, U. S. farmers used 7,000,000 tons of finished steel—more than is used in a year's automobile output—along with 16,500,000,000 gallons of crude petroleum, 320,000,000 pounds of raw rubber, 15,000,000,000 kilowatt-hours of electric power, and vast quantities of other materials. These resources were used largely to produce, operate and maintain all manner of machines which perform the basic tasks swiftly, efficiently and cheaply; which have greatly reduced the amount of muscle-power needed; and which are the farmer's principal allies in preventing erosion and water damage and in preserving and improving the ability of the soil to produce.

On the average, each of us 150,000,000-odd Americans eats more than three-quarters of a ton of food annually. Only a small proportion of us is needed to supply that incredible quantity of food, along with large amounts for export. That is the measure of the farm equipment industry's contribution to agriculture.

A Demonstration Trip

The Boy Scouts of America will hold their Third National Jamboree at the Irvine Ranch, Newport Harbor, California, July 17-23, 1953. It is estimated some 50,000 will be on hand from all sections of the country and that 80 per cent will travel by train.

This will be the first ride on a railroad train for most of these youngsters. The railroads should take advantage of the occasion to not only make the trip as enjoyable as possible, but to show the boys the vital part the rails play in serving every community through which they pass. There is no better way to gain appreciation of the United States, than by traveling over its vast area, and there is no better way to gain an understanding of how every section depends upon the railroads, than to ride on them and see the mountains of goods they handle for every form of business, industry and agriculture.

The Scouts of today will be leaders in business and government tomorrow. The railroads should help make their train ride a demonstration trip which offers jobs and opportunity to one and all alike.

Clearing the Air

In mid-March, the Supreme Court handed down a decision of the first importance, involving the Federal Power Commission, the Interior Department, and a light and power utility.

Some time ago FPC had granted this utility a license to build, with its own funds, a multi-million dollar electric plant on the Roanoke River in Virginia. But Interior, which for many years had pursued a policy of forcing socialization of the power industry on the country by direct and devious means alike, opposed the license. The case went into the courts. It ended when the Supreme Court held in favor of the Federal Power Commission, stating that FPC had the jurisdiction to issue the license involved.

Thus, in effect, the Court said that FPC had the right and authority to do what it was created to do by Congress. It is obvious that there would be no point in FPC's existence if its decisions could be successfully challenged by other government bureaus which were primarily interested in grinding their own axes.

Secondly, the decision is gratifying to everyone who believes in private enterprise—and who has watched with dismay the 20-year-long trend toward socialism and super-government in this country. That trend has been most marked in the electric-power field.

V8

Television treat—
the BUICK CIRCUS HOUR—
every fourth Tuesday

Big travelers, be seated!

This is an invitation to you who need
and like room when you travel—
and are wondering where to get it.

This is an invitation to take your ease
in a sampling of the 1953 Buick SUPER
Riviera Sedan.

Talk about room (and you will!)—here
is the roomiest six-passenger sedan
made in America.

Here you will find headroom, hiproom,
legroom and kneeroom so generous—
big people beam.

The tall, the portly—and the in-between
—they can all spread out and stretch out,
and really feel unfettered.

But the marvel of this Buick roominess
is the wondrous ease of handling that
goes with it.

The world's newest V8 Engine is one
reason—an engine so compact it permits
a chassis with short turning radius,
wider front tread, easier steering, better
balance.

Twin-Turbine Dynaflo* with its daz-
zling new getaway and silky smoothness
is another. Power Steering* is still
another.

And there's an AIRCONDITIONER,† too!

The thing to do, of course, is to visit us
and try one of these great Buicks for
room, for ride, for power—and for
sheer comfort and pleasure. Why not
make it soon?

*Standard on Roadmaster, optional at extra cost on
other Series. †Optional at extra cost in Super and

SOCIETY EVENTS

Officers of County Home Bur. Elected in Antioch Meeting

The Twenty-first Annual meeting of the Lake County Home Bureau was held April 16 at the Methodist Wesley hall. Guests from various bureaus, including Cook county were present. Mrs. E. P. Marx, Lake County president conducted the meeting.

The election and installation of the county board was held with Mrs. Homer Cook being chosen as president. Other officers are Mesdames Delbert Sherwood, vice pres.; La Mont Ray, secretary; and Milton Greenberger, treasurer.

Mrs. Lois Etzold of Chicago gave an interesting address on "Poise and Charm."

The hostess units were Millburn and Lake Region. The tables were beautifully decorated with spring favors made by the committee. Ladies of the Methodist church served the luncheon.

Catholic Women Will Observe Presidents' Day At Wauconda on May 1

Lake county of the Archdiocesan Council of Catholic Women will observe "Presidents' Day" at 2 p. m. Wednesday, May 6, at Transfiguration Parish, Wauconda.

The meeting is one of a series of twenty conducted in Cook and Lake counties between May 4 and 29. Mrs. Richard Hedberg, Lake Villa, district president, will preside.

Each president of a parish organization and of an associate affiliated organization within the boundary of the district will report on the attainments of her group during the club year just ending.

Accomplishments in the field of spiritual, educational, and charitable activities, Girl Scout troop sponsorship, civic participation, volunteer service in Red Cross, USO, and St. Vincent's Orphanage, and cooperation in ACCW's Decency Crusade for the protection of the morality of youth will be noted by the lay leaders.

In keeping with the Council's traditional plan in May of featuring Mary, the Mother of God, in one of her titles in the Litany of Loretto, the Rev. G. F. Ballweber, pastor of St. Mary's, Buffalo Grove, district adviser, will address the representations on "Virgin Most Merciful."

Special guests include Council personnel: The Rev. Thomas J. Fitzgerald, executive director, Mrs. A. G. Desch, president, and Nora LeTourneau, executive secretary.

The host pastor, Rev. J. J. Mulligan, will open the meeting with prayer and give the welcome.

Mrs. Anthony Scully, president of the Antioch group, will report her organization's activities for the year.

Robert Simon Will Be Honored at U. I.

Local high school officials have received information from the University of Illinois indicating that Robert L. Simon, son of Mr. and Mrs. A. G. Simon, formerly of Antioch, has received scholastic honors. Mr. Simon has been awarded class honors which entitled him to participate in the Illinois Honors Day program. The twenty-ninth Annual Convocation will be held in the University auditorium, May 1, 1953, at 1:15 p. m., DST.

Class honors are awarded those students ranking in the upper ten per cent of their classes in their respective colleges.

In order to accommodate the friends and relatives of the students being honored who are unable to attend the ceremony, the exercises will be broadcast over the University radio station, WILL, 580 kilocycles.

Receives Letter at Kendall College

Robert Wilton, son of Mr. and Mrs. Sol Wilton, 332 Hardin street, center on the Kendall College basketball team, received his letter at the annual awards dinner, Wednesday, April 22 in the school. Speaker at the affair was Charles H. Bennett, athletic director of Lyons Township High school whose basketball team won the state championship this year.

Celebrate Fortieth Wedding Anniversary

Mr. and Mrs. Walter Selter entertained one hundred guests at open house April 18 at their Grass Lake home, the occasion being their fortieth wedding anniversary. Music was furnished by the Cervenka sisters of Grass Lake. The Grass Lake Girl Scout troupe entertained with a puppet show. Mr. and Mrs. Paul Freier and Mrs. Elizabeth Anzinger assisted with the serving. Mrs. Robert Selter of Waukegan and Roberta and Mel Knirsch and son, James, of Newbury, N. Y., were guests.

B. and P. W. Club to Install Officers

Mrs. Lillian Hand will be installed as president of the Antioch Business and Professional Women's club at the annual meeting, Monday evening, May 4, at the Rurallite. Other officers to be installed are Mrs. Vera Smith, V. P.; Mrs. Alice Freeman, treasurer and Mrs. Russell Barthel, secretary. A turkey dinner will be served at 7 o'clock. Reservations for the dinner must be made by April 30th to Mrs. Hayden, telephone 655 or at 733.

Lakeland Baptist Church Makes Rapid Progress

The Lakeland Baptist Church of Lake Villa has made rapid progress since its organization over a year ago, according to the moderator, Lieutenant-Commander Lester Harlow, USN.

This church is one of the few Baptist churches of Lake county and is meeting temporarily in the recreational building of the Central Baptist Children's Home, Lake Villa.

The minister of the church, the Rev. John Barbee, is a native of North Carolina and is a graduate of Duke university. He has had a wide ministry, having preached in thirty states and Canada. He has contributed to several national periodicals and has written a syndicated newspaper column. Mr. Barbee announces that his subject for Sunday morning will be "Silent Moments and Striking Hours."

The church has a fully organized Sunday School which meets at 10:00 a. m. The Sunday worship service is at 11:00 a. m. The church also features youth groups and a midweek service.

GIRL SCOUTS PARTICIPATED IN LAKESIDE COUNCIL

Grass Lake Girl Scouts participated in the Lakeside Council Girl Scout Exhibit at Lake Villa last Saturday by presenting a puppet show. This puppet show completed four months of work by the troop for their Troop Dramatics badge.

After their performance at the exhibit, the troop traveled to the home of Mr. and Mrs. Walter Selter who were celebrating their 40th wedding anniversary. The puppet show was greatly enjoyed by all of their guests.

The leaders of the Lakeside Council of Girl Scouts held their monthly meeting at the Grass Lake Scout home on April 13. The next meeting in May will be a cook-out for the leaders at Grass Lake Scout camp.

TO SERVE ROAST BEEF DINNER

Parents of the Methodist church school will sponsor a public roast beef supper Thursday, April 30 at 5:30 p. m. at Wesley hall. Proceeds of the dinner will benefit the church building fund. Mrs. Charles Wertz is chairman.

CHRISTIAN SCIENCE CHURCHES

That man can reach heaven, harmony, only when he has made himself ready for it by rising above the beliefs of material existence into true spiritual selfhood, will be explained in all Churches of Christ, Scientist, on Sunday, April 26. The subject of the Lesson-Sermon will be PROBATION AFTER DEATH.

The Golden Text is from 1 Corinthians (6: 14) "God hath both raised up the Lord, and will also raise up us by his own power."

Bible selections (King James Version) in the Lesson-Sermon include:

"Wash me thoroughly from mine iniquity, and cleanse me from my sin... Behold, thou desirest truth in the inward parts; and in the hidden part thou shalt make me to know wisdom" (Ps. 51: 2, 6).

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include:

"Every mortal at some period, here or hereafter, must grapple with and overcome the mortal belief in a power opposed to God... A knowledge of error and of its operations must precede that understanding of Truth which destroys error, until the entire mortal, material error finally disappears, and the eternal verity, man created by and of Spirit, is understood and recognized as the true likeness of his Maker" (pp. 669, 252).

Mrs. Bernie Thompson Elected President of Grade School P. T. A.

Gordon A. Isham, educational supervisor, Department of Conservation, showed pictures on the topic "Conservation, Production and Protection of Wild Life" at the April 20 meeting of the Antioch P. T. A. He spoke at length about the conservation program as it is being developed by the Conservation Department of the State of Illinois.

Following the discussion on conservation, William Thompson, assistant county superintendent of schools, again appeared before the P. T. A., answered questions, and discussed with the parents the planned swimming program for this summer.

Mrs. Warren Polley, chairman of the nominating committee presented a slate of officers for the coming year. After calling for other nominations, the slate was accepted as presented. The officers elected for next year are Mrs. Bernie Thompson, president; David Hunsaker, vice president; Mrs. Vera Smith, secretary, and Mrs. Norman Petersen, treasurer.

Mr. and Mrs. Joe Parfitt returned to their home at Channel Lake Shores after a vacation in Florida.

REACHING HIGH PLACES WITH SAFETY

Many jobs around the home involve reaching high places—such as fixing curtains, painting, getting things off shelves. To do them safely, you need something sturdy to stand on. As many things that people use (such as rickety chairs and the like) can cause accidents or lead to accidents, a sturdy step stool or step ladder is recommended. Then you do not risk a fall due to improper footing. Do not climb too high. Always shift the position of the step stool or ladder rather than attempt to reach out too far.

Mrs. Mary Kohler and daughter Gloria arrived home Sunday after spending the winter in Florida. On their way home they visited friends in Alabama and also stopped for a few days at Wooster, Ohio, where they were guests of Alfred Kohler.

Card of Thanks

We wish to express our sincere thanks to the Antioch Fire Department and our friends and neighbors for their help during the fire at our farm home.

W. C. Petty

Card of Thanks

I would like to take this opportunity to express my sincere appreciation and thanks to all my friends, the Girl Scout Troop No. 38, Mr. Tuttle, the Rev. R. P. Otto and Mr. and Mrs. Henry Rentner, during my recent stay in Victory Memorial hospital. Many thanks. Alma Kopecky.

W. C. Petty Recovering

W. C. Petty, county school superintendent, was brought to his home on Spafford street Tuesday from Victory Memorial hospital where he was taken a week ago after suffering a light heart attack. He is showing rapid improvement but has been advised by his doctor to rest for a while. The heart was not injured in the attack and the only inconvenient result is that he is having to give up the enjoyment of smoking.

IN MEMORIAM

In loving memory of our dear husband and father who passed away one year ago.

God keep him in your tender care;
God grant him eternal rest.

Mrs. John Paczkowski and family.

Ready to Serve You—24 Hours a Day—365 Days a Year

Above are two pieces of equipment which are at your service at all times—An Antioch Rescue Squad truck and a Fire truck of the Antioch Volunteer Fire Department.

Rescue Squad members serve without pay, and members of the fire department receive only token payments which usually do not even cover damage to clothing while on duty.

The Squad and Fire Department plan to sponsor a dance and opening of the new 4-Aces club on Route 173 at Channel lake on Saturday evening, May 16. Property of Ted Smith, the new club is housed in a beautiful modern building facing north on the site of the old Channel Lake Pavilion. No admission charge will be made at the dance.

John Dolce of WLS Will Appear for Boy Scouts May 8

John Dolce, famed WLS barn dance caller, will furnish the music and act as master of ceremonies and caller at a barn dance to be sponsored by Boy Scout troop number 28 at Salem Central high school on Friday evening, May 8. Sponsors of the Boy Scouts who are promoting the affair to raise funds point out that Friday, May 8 will give all old time dance fans a chance to enjoy the best in music and dancing as well as help out with a worthy cause. Tickets will be on sale by members of the troop.

Benedictines Will Play Host to Lions At Benet Lake Mon.

Antioch Lions club members will be guests of the Benedictine Monastery at Benet Lake next Monday evening, April 27.

An inspection trip through the new buildings will be a part of the program and dinner will be served. A great deal of new building and other installation has taken place since the Monastery was established here a few years ago and it is certain that the Lions will have an entertaining and enjoyable meeting.

Get Big Northern
Gordon Bittourn and Morris Stack of Chicago caught a Northern pike, 39 inches in length and weighing 10 pounds Tuesday afternoon in Channel lake. They were fishing 75 feet from Coles Lakeview resort when they caught the fish.

Antioch Dubbed "Flyin'est Town"

Antioch is gradually becoming known throughout the area as the "flyin'est town" of its size in the middle west, and a new airplane owner will soon join the ranks when a Cessna 140, two place plane is delivered this week to Ken Kirchmeyer, 704 Main street.

Antioch community boasts five air strips within a few miles of town and a good many pilots have ships based at Kenosha and Waukegan. Ferris Airport, Lake Marie, is a commercial airport, with a good many permanently based planes, and in addition, four private strips with one or more planes are near.

Morris Bown, route 59, maintains a private strip for his ship as does William Horton, Jr., on route 173. A group of local flyers have purchased land west of Camp Lake, Wis., where they have improved a long strip and build a hangar building. Present plans call for consolidating a field owned by Charles Bruel, Camp Lake, which adjoins to make a multiple strip landing area.

Kirchmeyer flew to Texas to inspect the new plane with Wm. Horton, leaving Antioch last Thursday and returning Sunday. Robert J. Webb, currently a flying student, accompanied them. Stops at Ft. Worth, Dallas and Mineral Wells were made while in Texas.

With available landing areas all around Antioch and interest in flying at an all-time high, it seems likely that Antioch will live up to its name as the "flyin'est town."

Grant Edges Antioch 5 to 4 in Baseball; Sequoits Play Ela

Antioch Township High School's varsity baseball team lost to Grant High there Tuesday afternoon 5 to 4.

The Sequoits went into the seventh and final inning trailing 5 to 3 and after scoring once, had the bases loaded when the final out was made and victory slipped from their grasp.

Larry Hostettler, the only player with two hits, made them count by driving in three runs.

Six errors helped Grant in the scoring for Mark Verke, Antioch pitcher, held the Bulldogs to six hits. Abarney held Antioch to five hits.

The score by innings:

	R	H	E
Antioch	0	1	0
Grant	0	2	0

The varsity will play Ela-Vernon at Lake Zurich tomorrow, and the Ela freshmen will play the Antioch freshmen here at the same time.

WATCH YOUR DISTANCE

It's easy to get into the bad habit of following too closely the car ahead. If you're an average driver, tests show that you think you can stop your car in a much shorter distance than is actually possible. When the driver up ahead for some reason slows down suddenly, be sure that you have the time and space needed to prevent bumping into him. Allow at least 1 car length for every 10 miles of speed—more if the pavement is wet or if you are driving after dark. Because it is hard to judge distances correctly, give yourself more space to stop than you really think you need.

OUR DEMOCRACY—by Mat

ELDER STATESMEN

WISE IN THE WAYS THAT HAVE MADE AMERICA GREAT, OUR ELDER STATESMEN, IN BUSINESS AND EDUCATION AS WELL AS IN GOVERNMENT, HAVE MUCH TO CONTRIBUTE FROM THEIR EXPERIENCE TO THE YOUNGER MEN WHO WILL SHAPE OUR COUNTRY'S FUTURE.

THE SENSE OF TRADITION, THE KNOWLEDGE OF PAST SUCCESSSES AND FAILURES THAT OUR ELDER STATESMEN ARE ABLE TO IMPART, ARE IMPORTANT TO THE YOUNGER GENERATION IN TEMPERING THE VIGOR AND VENTURESOME SPIRIT NEEDED TO CARRY FORWARD THE DYNAMIC PROCESSES OF OUR DEMOCRACY.

LAKE VILLA

Services at the Community Church at 11 a. m. next Sunday will include reception of new members, some by transfer and others by confession of faith, and on Sunday afternoon the adult class which meets at the parsonage each Sunday morning, will visit the North Shore churches of various denominations, ending with the Chicago Temple evening service. Please contact the Rev. Harrison if you care to go.

The official board of the Community church met Monday evening with Mr. and Mrs. B. J. Hooper.

Mrs. Virginia Smith who has been with her niece, Mrs. Kenneth McNamara at Portage for several weeks has returned to her home at Buena Park.

Mr. and Mrs. George Mitchell of

Evanston spent the week end with Mrs. Mitchell's sister, Mrs. Helen Weber, and her mother, Mrs. Florence Kerr at the Weber home at Sand Lake.

Mr. and Mrs. Arthur Nauta, Sr., of Waukegan, Miss Lillian Klemm, also Mr. and Mrs. Arthur Nauta, Jr., and children, also of Waukegan, were dinner guests of Mr. and Mrs. Lester Hamlin on Sunday, and the Hamlin son, Allan, a student at Marquette university at Milwaukee was home for Sunday.

A final date has been set for the M. Y. F. play, "Desperate Ambrose" which will be presented at the Lake Villa grade school gym on Friday evening, May 8, at 8 o'clock. This is a well written royalty play in the manner of a broad farce, and is being put on by a group of very talented young people.

Mr. and Mrs. B. J. Hooper, Mrs. Marie Hamlin, Mrs. Georgia Avery and Mrs. Martha Daube were in

Elmhurst last Thursday as dinner guests of Mrs. Herman Wendland and Mr. and Mrs. Rudolph Wendland, who formerly lived here and operated what is now the Dalgard grocery and market.

Mr. and Mrs. Arthur Tiede, Mr. and Mrs. William C. Tiede and daughter of Chicago, also Mr. and Mrs. Traver Ellis and family of Belvidere and Mr. and Mrs. Edward Langbein and family were dinner guests of Mr. and Mrs. B. J. Hooper at the Colony House at Rock Lake, Wis., last Sunday, April 12 on the occasion of their fortieth wedding anniversary. They were married in Chicago which was Mrs. Hooper's home and have lived in Lake Villa since then as Mr. Hooper is a pharmacist and operated his own pharmacy which he has

turned over to his nephew, Don Summers, also a pharmacist, and is now retired.

Mr. and Mrs. J. Holvay who have lived in the Langbein house east of the depot for several months, are moving soon to the Schneider house

just off Grand avenue. Mr. Holvay is a pharmacist and is employed at the Summers pharmacy on Cedar avenue.

Mrs. C. Dunbar, Mrs. E. Lawra-son, Mrs. Helen Weber, Mrs. N. Pearcey, Mrs. F. Whitaker and Mrs.

Bessie Boyer attended a W. S. C. S. meeting at Park Ridge last Friday as representatives of the Lake Villa W. S. C. S. and were present for the luncheon, the installation of officers and an address by Dist. Supt. Dr. Ray Bond.

WILL YOU MAKE THE HEADLINES?

IT'S not a very pleasant thought, but tomorrow's newspaper could carry a story of a fire in YOUR home!

Guard against the effects of such a disaster now. Insure adequately.

Landscaping Process

The Antioch Township High School is now in the process of being landscaped. Mr. Dittman, the principal, discussed in a special assembly that it would be appreciated if clubs, classes, organizations, or individuals might want to purchase some tree or bush or at least have some small plant.

There was such interest shown on the part of so many that the matter was put before the Student Council which showed all of its members the plan of the landscaping program and discussed the various things which might be done for our school.

The Council suggested that this matter be discussed in the regular class meeting so that we may proceed with the work as soon as possible. It is now the time to plant many of the shrubs. Also they asked that each club and organization hold a meeting soon to discuss whether or not they wish to contribute something along this line. Since we cannot all purchase the same trees or shrubs, the Council has suggested that first, second, and third choices be made and submitted to Mr. Dittman and the board of education, who will assign as nearly as possible the first choice given.

Art Collection

The Council also discussed the matter of starting an Art Collection for our hallways. It is felt that it is far better to purchase good paintings of famous pieces of art rather than to buy pictures at random, so an Art Collection has been suggested.

On Friday, May 1st, at 2:00 p. m. the representative from Elyria Arts Company will be with us to discuss the starting of an art collection. The Council urges that organizations and classes will have student committee representatives at the meeting to look at the pictures. Even though groups do not intend to purchase this year, they might like to see what pictures are available so that when class or group funds become sufficient, they may purchase next year or the following perhaps.

All School Party

The Council feels the need for a nice social party for the entire high school during the close of the school year. Therefore, they are planning for an all school party on Friday evening, May 22nd, and urge that each student and teacher keep that date open. The classes are asked to discuss this matter in their meetings and to offer any suggestions which might make this party a nicer social affair.

Student Council Elections

Plans will soon be under way for the election of new members to the Council for next year. At present we are urging that our students seeking office start campaigning now so that we may secure only very capable and efficient people who will render their best services to our school. Detailed plans of the elections will be submitted next year.

We shall need a president and secretary selected from the student body at large, three Council members from each class, a boys' state representative and a girls' state representative. The presidents of classes and heads of our clubs or organizations are not selected until in the fall.

State Convention

The annual state convention for schools in the Illinois association of Student Councils is being held in the Sherman hotel in Chicago on April 23, 24 and 25.

Our high school is entitled to two representatives; therefore, the Council has voted to send a sophomore representative, Carol Cerwenka and a junior representative, Shirley Ross to attend this meeting. They will be accompanied by their student council sponsor, Mrs. Jeanette Tulumello. It is hoped that by sending younger members to the convention, we may have them working in our council another year and thus further the interests of our school.

NOTICE OF SALE

Notice is hereby given that on Saturday, the 9th day of May, 1953, the Trustees of Schools of Township 44, Range 10, Lake County, Illinois, will sell at public auction sale on the school premises, hereinafter described, at the hour of ten o'clock A. M., to the highest and best bidder the following described property:

A two-story frame residence building (only) standing on the northwest corner of the present Antioch Township High School campus on Main Street, Antioch, Illinois.

which sale shall be made on the following terms and conditions, to-wit:

No bid shall be retracted. The highest bidder shall be the purchaser.

Immediately after the bid is accepted,

the purchaser shall pay to the order of the Township Treasurer of Township No. 46, Range 10, a deposit of fifty per cent upon the amount of the purchase price. The balance of the purchase price shall be paid and the purchase completed at the office of the Township Trustees of Schools, Antioch, Illinois, by the 18th of May, 1953. Upon payment of the balance purchase price money, the seller shall make and execute a proper bill of sale of said building.

Purchaser agrees to remove said building from the said premises within sixty days after May 9, 1953.

The removal of said building shall be done in a good and workmanlike manner and with sufficient care so as not to damage the property of the School Board or any other adjoining property.

The purchaser agrees to comply with all ordinances and regulations of the Village of Antioch, Illinois, in connection with the removal of said building.

If the purchaser shall fail to

comply with any of the foregoing conditions, the money deposited by said person shall be forfeited as liquidated damages and the seller shall be at liberty to resell the property at such terms and in such manner as it shall see fit.

ADVERTISEMENT FOR BIDS ADDITIONS AND ALTERATIONS TO ANTIOCH COMMUNITY CONSOLIDATED SCHOOL DISTRICT NO. 34, ANTIOCH, ILLINOIS

The Board of Education, Antioch Community Consolidated School District No. 34, will receive sealed bids for the Additions and Alterations to Antioch Community Con-

solidated School, until 8:00 P. M. Central Daylight Saving Time on the 19th day of May, 1953 at the office of the Owner, Antioch, Illinois. Bids will be publicly opened and read aloud at that time.

The work will be divided into separate principal contracts as follows: 1. General Work, 2. Plumbing Work, 3. Heating and Ventilating Work, and 4. Electric Wiring. Each successful bidder will be required to furnish a satisfactory completion bond.

The contract documents including plans and specifications are on file at the Antioch Community Consolidated School and at the office of William A. Ganster and Arthur Hennighausen, Architects,

222 Washington Street, Waukegan, Illinois.

Copies of the documents may be obtained by depositing \$15.00 with the Architects for each set of documents on or after the 27th of March 1953. The amount of the deposit for one set of documents will be refunded to each actual bidder who returns the plans and specifications in good condition within 10 days after the opening of bids. Additional sets may be obtained at the rate of \$5.00 per set, not refundable.

The Board of Education, District No. 34, reserves the right to reject any or all bids and to waive any informalities in bidding.

A satisfactory bid bond executed

by the Bidder and a Security Company in an amount equal to ten (10%) per cent of the bid shall be submitted with each bid payable to the Board of Education, Antioch Community Consolidated School Dist. No. 34.

No bid may be withdrawn after the scheduled closing time for receipt of bids, for at least thirty (30) days.

NOTICE OF SPECIAL SCHOOL ELECTION
School District No. 36
Lake County, Illinois
NOTICE IS HEREBY GIVEN that on Saturday, May 8th, A. D. 1953 a special election will be held in and for School District Number 36, County of Lake and State of Illinois, for the purpose of sub-

mitting to the legal voters of said school district the following question, to-wit:

Shall the maximum tax rate for the educational fund of School District No. 36, County of Lake and State of Illinois, be established at .71 per cent on full, fair cash value instead of .40 per cent the maximum rate otherwise applicable to the next taxes to be extended?

(a) Estimate of the approximate amount extendible under the aforesaid proposed rate: \$27,720.03 dollars.

(b) Estimate of the approximate amount extendible under the rate otherwise applicable to the next taxes to be extended: \$15,616.92 Dollars.

NOTE: The aforesaid estimates have been computed upon the last known, full, fair cash value of all of the taxable property in said School District being the valuation

for the year 1951.

For the purpose of said election, said School District shall constitute one election precinct, and the polling place for said precinct shall be the main corridor of the School House of said School District.

At said election the polls will be open at the hour of 12:00 o'clock noon and will be closed at the hour of 7:00 o'clock P. M. Central Daylight Saving Time, on said day.

By order of the Board of Directors of said School District.

Dated this 27th day of February, A. D. 1953.

SHORT STORY

True Love

By Ashley Cummins

TERESA said: "I'll marry you, Bill. But there's something I must tell you first."

"It won't matter," Bill said. "Nothing you could say would matter, except that you'll marry me."

"This will. It's about another man. I loved him so much it hurt. That's why I came down here, to forget." She made a little hopeless gesture. "It hasn't done much good."

"You still love him?" Bill asked. "I don't know." She looked at him miserably. "Oh, Bill, that's why it wouldn't be fair to marry you." She conjured a mirthless smile. "He turned me down for a blonde."

Bill Addison placed a hand on either of her shoulders. His eyes were sober and intense. "I'll take a chance, darling. I love you."

They were married beneath the palms on a bright, clear day, with the blue Atlantic for a background and the hills towering above them and the sound of breaking waves for music.

It was not until a week later when they took a boat going north that she learned where they were going to live.

"The family homestead's in Ashmont. We might as well occupy it, since there's no one else. You'll

The old "homestead" was, as Teresa suspected it would be, a fine old mansion with rolling acres and gardens and lumbrous shade trees.

love the old place and it's only two hops and a jump from Philadelphia where I make a pretense of conducting a brokerage business."

A sharp little lance of fear pricked at Teresa. This was ironic. Ashmont was the neighboring town to Fairlawn, and it was in Fairlawn that Jerry lived. Was it an omen?

The "old homestead" was, as Teresa suspected it would be, a fine old mansion with rolling acres and gardens and lumbrous shade trees.

Teresa could be happy here. She would be happy here.

And for a month Teresa knew a greater joy than she had ever believed possible.

And then one day the inevitable happened. She had driven into a filling station on the outskirts of town. Another car drove in beside her. A voice called a cheery hello. Her heart leaped. It was Jerry. Jerry Morton. More handsome than ever. More careless of manner and charming of speech. More completely the man she had once loved than before she went away.

It was three days later that Bill came home looking grave. "Honey, I've some bad news. One of those things has happened. Unless a miracle appears on the scene, I'm sunk. I've gambled the family fortune and lost."

She stared at him. "Oh, Bill, I'm so sorry. Is there anything I can do?"

"Nothing but continue to look as adorable as you do right this minute." He kissed her. "Don't worry. We'll keep our heads above water somehow."

But he didn't. For a week Bill said nothing more, but the lines in his face deepened. Teresa knew that business was worrying him, but it came as a shock when he told her the worst.

"It's come, darling. We're broke. I'm really frightfully sorry for you. Look, I don't expect you to stick. I..."

"Don't expect me to stick! Bill Addison, that's an insult! What do you expect me to do? Run off like a coward and leave you to face the music. There must be something I can do. I'll sell my jewelry, I'll get a job..." Suddenly she began to cry, because she loved him. She had loved him for weeks and it had taken this knowledge that Bill needed her to make her realize it. "Oh, darling, you mustn't think that I... that I... what I said about not marrying if you weren't rich. You must believe me!"

Bill dropped down beside her. His eyes were strangely bright. "Darling, I do believe you. Look, you'll hate me for this, but I can't help it. Jim Bridges at the filling station told me about your meeting Morton. I had to know how you felt." He paused. "It's all a huge lie I made up to... to test your love. The family fortune is still intact. Everything's fine. It's so fine, well I'd like to cry myself."

Soil Builders to Hear D. P. Falconer at Mundelein Saturday

The Organic Soil Builders of Lake County will sponsor a county wide meeting Saturday, April 25, at 8:00 p. m. at the Mundelein Village hall in Mundelein. Donald P. Falconer will speak on "Compost as I See It."

Mr. Falconer is a graduate Civil Engineer of the University of Wisconsin of the class of "way back when" or thereabouts, and lives in Evanston. He is a former member of the American Society of Civil Engineers, the American Institute of Mining and Metallurgical Engineers, the American Foundrymen's association, the American Accoustical society and at present, a member of the American Ceramic society. His business as engineer deals with clay, technical cements, industrial minerals and his hobbies are: Organic farming; photography (at present he is the editor of the CACCA News, Chicago Area Camera Club Association); prophesies in the Bible.

In his talk Mr. Falconer will cover how Mother Nature prepares the soil, why minerals should be added to compost, what these minerals are and where to get them, the kind of fertilizer that results from such efforts and how to use such material. The talk will be informal without scientific palaver and any instructions for making compost will be of the kind to minimize work. An article on Impromptu Compost by Mr. Falconer appeared in the March 1952 Organic Gardening magazine partially covers what he will have to say.

Suit After Crash At Camp Lake Last September Settled

Out-of-court settlement for \$11,910 has been accepted by a Chicago contractor for injuries he suffered in a truck-car collision near Camp Lake in September, 1951.

The sum goes to James R. Ostick. Ostick had sued Frank J. Gohlke, Bristol, for a total of \$30,000 in federal court at Milwaukee.

Timely Tips

With the first budding of the trees, life seems to take on new energy. And a good thing, too, for this is when we need it... for Spring housecleaning. Here are a few tips to help make your job easier.

Always wash walls from the bottom up. Washing solution dripping down on a soiled surface leaves stains.

Bulges and bubbles can be removed in wallpaper. Make a small slit in the paper, then insert a large needle to which paste has been applied. Flatten the spot, using a white blotter to prevent finger marks.

Always wipe chromium plated things with a dry cloth after they have been thoroughly cleaned and rinsed. They will shine better.

HELP FOR ACNE

One of the most serious problems of many teen-agers is the unsightly and all-too-common outbreak of pimples and bumps on the skin which goes under the scientific name of acne. Usually occurring on the face, acne can be a real social and vocational handicap.

In a sense, acne seems to be one of the problems of growing-up. During adolescence many changes take place in the chemistry of the body. Among these is an overproduction of oil by the millions of tiny glands in the skin. Excess oils work their way to the surface, causing pimples and blackheads.

Recent medical reports indicate that the antibiotic and sulfa drugs are extremely valuable in treating this condition, which in some degree afflicts an estimated nine out of ten teen-agers. These drugs act against the bacteria that apparently play an important role in causing acne.

One skin specialist who treated ten acne patients with oral doses of terramycin reported improvement in nine of the cases within 24 hours, with gradual disappearance of the infected bumps and pimples within ten days. Another group of 34 patients—mostly girls—showed a 100 per cent response to terramycin, given daily with milk.

Antibiotics and sulfa drugs, used with hormones, resulted in improvement or cures in 94 per cent of 384 acne cases studied, according to a report in the Journal of the American Medical Association. Many of these cases, the scientists said, had not responded to the older, widely used X-ray therapy.

SMART MONEY

KNOWS WHERE TO GO AFTER READING THE ADS IN THIS NEWSPAPER.

Trial of the case was held March 12 and 13. During the proceedings George W. Boyd, a witness from Camp Lake, testified that Ostick had offered him a bribe to testify in his favor.

But Gohlke's attorney, Leo Vaudreuil, on March 17 discounted Boyd's testimony. He said that Boyd was an "unreliable witness."

Boyd had said in court that Gohlke was forced off the shoulder by Ostick's car, which was two or

three feet on the wrong side of the road. But attorneys for Ostick produced a statement signed by Boyd to the effect that Gohlke was driving outside his proper lane.

Federal Judge Robert E. Tehan has ordered Ellis Hughes, assistant U. S. attorney, to investigate the possibility of perjury by Boyd. He said that Ostick was fully exonerated.

Boyd had testified that Ostick offered him \$500 and a job with his

construction company if he would testify against Gohlke. He said the offer was made last fall.

The accident took place on Coun-

ty Trunk SA on Sept. 23, 1951. Ostick received a broken left arm, fractured right knee, and two broken wrists.
